LOCAL:

2,200 signatures collected

Students have collected more than 2,200 signatures on a petition to get a student-run, student-owned radio station on campus.

Heidi Mareburger, Oklahoma Memorial Union programs coordinator, said approximately $27 in donations also have been received during the petition drive.

The money will help pay for an engineering study to determine what frequencies are available on the metropolitan area radio dial. That survey will cost $350, she said.

The next meeting to discuss the radio station will be held at 5 p.m. on May 14 in Dining Room A of the union.
